Beauty Maker

Name: Penny Sadler

Age: are you serious?

My job: freelance celebrity makeup artist/hair stylist for films, videos, photography, weddings, and events

I'm usually wearing: underwear

What's in my purse/bag: everything I need for two minute makeup — mascara, concealer, and lip gloss, and, of course, my cell phone

In my CD changer/iPod: currently I'm listening to a lot of David Bowie and Burt Bacharach

I continually buy: shoes and makeup or skin care products

Most recent purchase: makeup for an upcoming TV pilot

My beauty secrets: all those things you read about are true! Avoid the sun, drink lots of water, and get your beauty sleep

I stay in shape by: running up and down my stairs — seems whatever I need is always on whatever floor I'm not on. Also, I study Iyengar yoga at BKS Studio

In my free time I like to: travel, and go out dancing — Latin, ballroom, and salsa

From looking at me you wouldn't guess that: I love to eat, and I think about food all the time

Word that most defines my personal style: only one word? Eclectic
